

WALK TO CURE DIABETES

JUVENILE DIABETES RESEARCH FOUNDATION

Congratulations and our sincere thanks to everyone who participated in this year's Walk to Cure Diabetes. Walk day was a little cloudy, but that didn't stop the fun and energy in the park! We had over 1500 Walkers in attendance! We've raised over \$230,000 with donations still coming in. As pleased as we are with our results so far we still have a little way to go to reach our overall Walk goal.

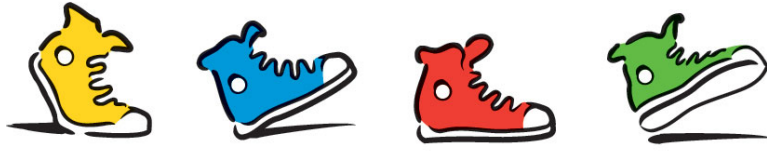

Remember, just because the Walk is over, you can still continue to fundraise and send in donations. If you haven't raised as much as you hoped, keep in mind that the fundraising deadline is December 31, 2009. This gives you the opportunity to still earn one of JDRF's Walk Prizes or a Golden Sneaker Award!

Visit: www.jdrf.org/greatprizes to view the assortment of Walk Prizes offered this year.

Another easy way to increase your team's total is to contact your employer and your donors' companies regarding matching gift programs. Most of the time it is as simple as filling out a form to double your donations! To see if your employer has a matching gifts program in place contact your HR administrator or visit JDRF's matching gifts database at www.jdrf.org/matchinggifts.
